

## WHY SHOULD I STUDY ENGLISH?

WAIFS recommend that all students seriously consider taking an English certificate course before entering their principal course of study at WAIFS. Many students simply consider this an unnecessary additional cost.

The better a student's abilities in the areas of reading, writing, listening and speaking, the more easily they will succeed, both educationally and socially, in Australia.

*IELTS Academic Module is recognised widely as a language requirement for entry to all courses in further and higher education* and assesses whether a candidate is ready to study or train in the medium of English at an undergraduate or postgraduate level.
